As part of our enhanced due diligence, we would like to inform you that we comply with EU sanctions, the Polish sanctions regime and those of the jurisdictions in which we operate. We also apply worldwide sanctions imposed by the U.S. authorities, in particular the Office of Foreign Assets Control.

Please also note that should our relationship involves transactions or services that may fall within the restrictions and obligations imposed by Council Regulation (EU) No. 833/2014 or Council Regulation (EU) No. 765/2006 as amended from time to time by recent sanctions packages, we are obliged to inform you of our commitment to implement "no re-export to Russia and Belarus" obligation. In this regard we expect that our contractor shall not sell, export or re-export, directly or indirectly, to the Russian Federation or to Belarus, or for use in the Russian Federation or Belarus any goods supplied under or in connection with our cooperation that fall under the scope of Article 12g of the Council Regulation (EU) No 833/2014 or Article 8g of the Council Regulation (EC) No 765/2006. The Contractor should endeavor all reasonable efforts to monitor all its subcontractors if they are not subject to the applicable sanctions that can be invoke in performance of our cooperation.

In order to ensure mutual compliance with the applicable sanctions, we must inform you that any breach of the obligations resulting from the abovementioned regulations will constitute a material breach of all contracts binding between us and will entitle us to seek appropriate remedies, including those available pursuant to the relevant contracts and/or applicable law. In the absence of an agreement between us, we will immediately cease the cooperation.

Taking into consideration the above, if due to any reason our cooperation may breach the aforementioned sanctions, please send us a notification immediately but no later than within 7 days from the date of receipt of this letter to compliance@lsas.aero.
